Privacy Policy overview

Our privacy policy is made under the REG.UE 2016/679/UE, (especially the article n°13), called GDPR. The following gives a simple overview of what happens to your personal information when you visit our website.

Data collection purposes

Form data are used to satisfy your information request. Part of the data is collected to ensure the proper functioning of the website. Other data can be used to analyze how visitors use the site.

Web site visitors rights

You always have the right to request information about your stored data, its origin, its recipients, and the purpose of its collection at no charge. You also have the right to request that it be corrected, blocked, or deleted. You can contact us at any time using the address provided if you have further questions about the issue of privacy and data protection.

You have the right to be provided at any time with information free of charge about any of your personal data that is stored as well as its origin, the recipient and the purpose for which it has been processed. You also have the right to have this data corrected, blocked or deleted. You can contact us at any time using the address given in our legal notice if you have further questions on the topic of personal data.

Regarding the data portability you have the right to have data which we process based on your consent or in fulfillment of a contract automatically delivered to yourself or to a third party in a standard, machine-readable format. If you require the direct transfer of data to another responsible party, this will only be done to the extent technically feasible.

Data protection

The operators of this website take the protection of your personal data very seriously. We treat your personal data as confidential and in accordance with the statutory data protection regulations and this privacy policy. If you use this website, various pieces of personal data will be collected.

Personal information is any data with which you could be personally identified. This privacy policy explains what information we collect and what we use it for. It also explains how and for what purpose this happens. Please note that data transmitted via the internet may be subject to security breaches. Complete protection of your data from third-party access is not possible.

This site uses SSL or TLS encryption for security reasons and for the protection of the transmission of confidential content, such as the inquiries you send to us as the site operator. When encryption is activated, the data you transfer to us cannot be read by third parties

Data owner and responsible

Collected data will be safely stored and processed by:

Calistri Giacinto & C. snc, Via del Redolone 57/a, 51034 Casalguidi , Pistoia (Italy)

Phone: +39 0573 527023 – email address: info@calistrisnc.com

The party responsible for processing data on this website is Mr. Francesco Bani who alone or jointly with others decides on the purposes and means of processing personal data (names, email addresses, etc.). Revocation of your consent to the processing of your data. Many data processing operations are only possible with your express consent. You may revoke your consent at any time with future effect. An informal email making this request is enough. The data processed before we receive your request may still be legally processed.

Opposition to promotional emails

We hereby expressly prohibit the use of contact data published in the context of website legal notice

requirements with regard to sending promotional and informational materials not expressly requested. The website operator reserves the right to take specific legal action if unsolicited advertising material, such as email spam, is received.

Data collection methods on our website

Some data are collected when you provide it to us, for example when you fill our contact form. Other data are collected automatically by our IT systems when you visit the website. These data are primarily technical data such as the browser and operating system you are using or when you accessed the page. These data are collected automatically as soon as you enter our website.

Our web pages use cookies: they do not harm your computer and do not contain any viruses. Cookies help make our website more user-friendly, efficient, and secure. Cookies are small text files that are stored on your computer and saved by your browser.

Most of the cookies we use are so-called "session cookies." They are automatically deleted after your visit. Other cookies remain in your device's memory until you delete them. These cookies make it possible to recognize your browser when you next visit the site.

You can configure your browser to inform you about the use of cookies so that you can decide on a case-by-case basis whether to accept or reject a cookie. Alternatively, your browser can be configured to automatically accept cookies under certain conditions or to always reject them, or to automatically delete cookies when closing your browser.

Disabling cookies may limit the functionality of this website.

The website provider automatically collects and stores information that your browser automatically transmits to us in server log files. The collected information are: browser type and version, operating system used, referred URL, host name of the accessing computer, time of the server request, IP address. These data will not be combined with data from other sources.

When you send us questions via the contact form, we will collect the data entered on the form, including the contact details you provide, to answer your question and any follow-up questions. We do not share this information without your permission.

We will, therefore, process any data you enter onto the contact form only with your consent.

You may revoke your consent at any time. An informal email making this request is enough. The data processed before we receive your request may still be legally processed.

We will retain the data you provide on the contact form until you request its deletion, revoke your consent for its storage, or the purpose for its storage no longer pertains (e.g. after fulfilling your request). Any mandatory statutory provisions, especially those regarding mandatory data retention periods, remain unaffected by this provision.

This website uses Google Analytics, a web analytics service. It is operated by Google Inc., 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA.

Google Analytics uses cookies that are stored on your computer and that allow an analysis of the use of the website by you. The information generated by the cookie about your use of this website is usually transmitted to a Google server in the USA and stored there.

The website operator has a legitimate interest in analyzing user behavior to optimize both its website and its advertising.

You can prevent these cookies being stored by selecting the appropriate settings in your browser. However, we wish to point out that doing so may mean you will not be able to enjoy the full functionality of this website.

Some data could be shared by other foreign companies in a safe way as a part of Privacy Shield.
